

ACKNOWLEDGMENTS

The *1996 Utah Health Status Survey* was funded by the Utah State Legislature. The Office of Public Health Data, Bureau of Surveillance and Analysis, under the direction of Robert T. Rolfs, MD, provided general oversight for the project. It is the mission of the Office of Public Health Data to facilitate, coordinate, and assure the appropriate collection, analysis, and interpretation of accurate health data for purposes of surveillance, policy development, and program planning and evaluation.
